Objective

To obtain a position in the construction management industry through which I may enrich my education while providing for the employer to the fullest of my capacity.

Work Experience

Surveyor

- Collecting and archiving architectural and operational building data for entire city and east campuses totaling over six million square feet. Working closely with a six-person team to complete project in a single semester. *Department of Institutional Research and Planning, University of Nebraska – Lincoln, Current employment.*

Office Intern

- Worked with submittals, change orders, takeoffs, procurement, labor feedback, RFI's, and other project management activities. *The Waldinger Corporation, Summer of 2004*

Sales Specialist, Roadshop Sales Counselor, Installer

- Provided product knowledge for customer purchases and executed sales. Installed CD players, amplifiers, speakers, mobile video, security systems, and other technically advanced products. *Circuit City, November 2000-June 2003*

Laborer, Vibratory Plow Operator

- Dug holes for sprinkler heads and valve boxes. Later used V-plow to run water lines and control wires. *Affordable Sprinklers, Summers of 1999 and 2000*

Education and Skills

Pursuing Bachelor of Science Degree as a Junior in Construction Management at The University of Nebraska.

- Extensive experience with many portable and stationary electric power tools.
- Fundamental background with various pneumatic power tools.

Achievements and Activities
