

HKSAR Electrical and Mechanical Services Department
Recruitment of Summer interns

Nominations from Department of Mechanical Engineering

Job No.	Division	Section	No. of interns required	Subjects studied	No. of Nominees	Duties to be carried out	Working location	Candidate no. *	Name of Candidate	Contact Tel no.	Name of Degree Course (for Year 2 Students) (each candidate should NOT apply more than 2 posts)	Student I/D no.
1	EED	EEA1	1	Building Services Engineering	2	To research on latest energy efficiency technology in building services installatons	Energy Efficiency Office, 111, Leighton Road, Causeway Bay, HK.	101				
								102				
3	EED	EEA3	1	Electrical or Mechanical Engineering	1	To assist in conducting technical studies on Energy Efficiency Labelling Scheme	Energy Efficiency Office, 111, Leighton Road, Causeway Bay, HK.	105				
4	EED	EEA4	2	Engineering - Electrical Power, Mechanical, Building Services	1	Conduct energy consumption surveys and perform energy consumption data analysis	EEO, Leighton Road - need to visit different premises to conduct field surveys	108				
7	EED	EEB3	1	Elec, Mech, or Bld Services engineering	1	Continue to update local RE project database	Energy Efficiency Office, 111, Leighton Road, Causeway Bay, HK.	114				
8	EED	EEB1	1	Mech or BS Engg	2	To upkeep the pilot scheme and cooling tower database; and to retrieve information on evaporative cooling equipment	Energy Efficiency Office, 14/F,111, Leighton Road, Causeway Bay, HK.	116				
								117				
19	GPSD	GS1	1	Mechanical Eng.	3	Carrying out quantitative risk assessments of hazardous installations	4/F or 6/F, EMSD HQs, 98, Caroline Hill Road, Causeway, H.K.	130				
								131				
								132				
21	GPSD	GS4	1	Mechanical Engineering (with computer knowledge)	3	(1) To assist in updating and establishing the sub-divisional database for LPG vehicles, tanks, vehicle mechanics, workshops etc. (2) To assist in searching and updating the international standards/codes and development progress in alternative fuelled vehicles and associated infrastructures.	4/F or 6/F, EMSD HQs, 98, Caroline Hill Road, Causeway, H.K.	134				
								135				
								136				
24	ESB1	AES(CA)	1	Electrical Engineering or Mechanical Engineering	1	To assist Engineers in carrying out energy audits and prepare reports; daily technical and administrative works	Chek Lap Kok Airport	139				
30	ESB2	H/HK/H1	2	Electrical, mechanical or building service engineering	1	To assist professional engineer to conduct site walk-through and energy audit in hospitals and clinics in HK Island	Health Sector Division Headquarters, 3/F, Multi-centre Block C, PYNEH, 3 Lok Man Road, Chai Wan, HK	150				
35	ESB2	H/NTW/H5	2	Electrical, mechanical or building service engineering	1	To conduct site inspection for defects and as-built drawings, automate drawings and record keeping system, prepare specification and specification drawings	Tuen Mun Hospital or other venues in NTW region	167
