Building Services Division

Sustainable BS Design Competition - Prizes Presentation and Papers Presentation by Winners

Venue	:	Seminar Room, HKIE Headquarters, 9/F Island Beverley, No. 1 Great George Street, Causeway Bay
Date	:	14 January 2008 (Monday)
Time	:	6:15am – 8:00pm
Fee	:	Free of charge

Programme Highlight:

The competition was launched in early of 2007 with the purpose to enhance the awareness on the contribution of building services engineering towards the sustainable development of our community. The target participants of this competition are the undergraduates of the building services discipline in tertiary institutions. The adjudication panel selected 3 winners out of all entries. All winners, joined with their advisors, will present the design concept in the prizes presentation. Three awarded papers will be presented including:-

1. Water Stream Façade (HKU - Johnny Li/ Dr. Sam Hui (Advisor))
2. Sustainable Design Concept – Inside and Outside (PolyU - CY Ng, MC Heung & Ms. KL Siu/ Prof. John Burnett (Advisor))
3. Cleaner Power and Air Sources in Building Using Hydrogen Generator (PolyU – Raymond Chong/ Dr. Eddie Lau (Advisor))

Registration & Enquiry:

The maximum number of participants is 100. Applications will be accepted on a first-come-first-served basis.

For enquiry, please contact Ir Jacob Yiu at 6208 7077.
