

Call for Applications: Interview in Beijing/Shanghai on October 29 for Graduate Studies at HKU Mechanical Engineering

港大机械工程系博士硕士研究生招生北京上海 10 月 29 日面试申请现在开始

HKU Mechanical Engineering will interview applicants in Beijing and Shanghai on October 29 for MPhil or PhD study. Detailed arrangement for venue and time will be sent to the shortlisted candidates.

Applicants of our interest

Applications are now invited from students of premier universities in China in the following areas:

- Fluid mechanics/CFD, heat transfer,
- Engineering mechanics, computational mechanics, biomechanics, micro-/nano-mechanics
- Air pollution, urban wind climate, urban heat islands, energy and environment,
- Automatic control, applied mathematics
- Engineering design, manufacturing technology,
- Nanotechnology,
- Medical engineering,

Due to multi-disciplinary nature in our research, we are interested in students with backgrounds in mechanical engineering and mechanics, and other related fields (e.g. manufacturing engineering, physics, mathematics, atmospheric science, building environment, materials science and engineering, biomedical engineering, automation, instrumentation, precision engineering, etc.)

The applicants can find more information about us at <http://www3.hku.hk/mech/>.

How to apply

Please email your application to Ms Mei Mei Lam mmlam@hkusua.hku.hk.

Your application should include a CV in English, transcripts and class ranking. If available, please also include other supporting documents, such as the proof of English proficiency and/or academic or research achievements. The official TOEFL or IELTS score is not needed at this stage.

Please indicate in your application three research areas of interest in a prioritized order.

Scholarships

All successful applicants will receive a studentship of about HK\$160,000 annually. Successful applicants are also eligible to apply for Hong Kong Postgraduate Fellowship (http://www.ugc.edu.hk/chs/chs_rgc/hkphd/hkphd.htm), which provides HK\$240,000 per year for PhD study. The expected admission date is September 1, 2011.

Inquiries about the application procedure should be emailed to [<mmlam@hkusua.hku.hk>](mailto:mmlam@hkusua.hku.hk).

Application deadline

Applications will be received until Tuesday October 26, 2010
